Comments:

2/3/2000 - Received 1999 annual report from George Hackford which stated Mr. Hall is deceased. Contact and address changed to Mr. Hackford. Mr. Hackford requests formal release from reclamation of this site. DOGM changes status to "inspect."

1/31/2000 - Received a phone call from George Hackford informing us that Mr. Hall died of cancer in October. Mr. Hackford has been in Virginia for a couple of years , but he is now back in Vernal. While in Virginia Mr. Hall informed Mr. Hackford he was dropping the lease. There is no vegetation in the area because of the salines in the soil. Mr. Hackford will submit the annual report and request the file to be closed. He accompanied Tony on the last inspection of the site in May, 1994. The annual report will be a few days late.

OPERATOR PROPOSES TO MINE @600 TON OF MINERAL ORE FROM THE SITE; TRANSPORT ORE TO VERNAL FOR PROCESSING.
